Benefits of joining our children's membership

Our dental membership encourages regular visits for your child to maintain healthy teeth and gums for life, identifying potential issues early to prevent costly treatments. By becoming a member, you can spread the cost of your child's routine care through affordable monthly Direct Debit payments. This is more cost-effective than pay-as-you-go appointments and secures your child's place at our practice. Your child is guaranteed:

Dental health examinations: Thorough assessments for optimal oral health, X-rays when necessary, and emergency treatment cover following accidental injury.

Global Dental A & E Scheme enrolment: This discretionary scheme provides patients with dental care or treatment assistance in the event of a dental accident or emergency.

Preferential fees & benefits: Get a discount on further treatments*, and your child can have longer appointments with the dentist and hygienist. For more benefits, ask the practice team for details.
