

We're delighted to announce that the building works at our practice are now complete, and our brand-new treatment suite is officially open! We sincerely thank you for your patience and understanding during the renovation period — your support has meant a great deal to us.

Our new treatment suite has been designed with your comfort and care in mind. Featuring the latest equipment and a calming, modern environment, it will allow us to deliver an even higher standard of care to all our patients. We look forward to welcoming you into the new space at your next visit!

Accepting New Patients!

We're currently welcoming new patients of all ages! Whether you need a routine check-up, cosmetic dentistry, or emergency care, our friendly and professional team is here to help you smile with confidence.

Do you know anyone who is looking for a dentist?
We'd love to meet them! Referrals are always welcome.

Calling all local Artists

We're proud to support and celebrate the creativity of our community, and we're inviting local artists to display their work at Castle Park Dental. This is a great opportunity to highlight and promote local talent by showcasing your art in a warm, welcoming space visited by hundreds of patients each month.

If you're a local artist—working in painting, photography, or any other visual medium—we'd love to hear from you. Our goal is to create a rotating gallery that brings colour and inspiration into our practice while giving artists a platform to gain exposure and connect with a wider audience.

If you're interested, please send an email to talk2us@castleparkdental.co.uk with your contact details and a few examples of your work. We're excited to help promote local talent and turn our space into something truly special.

*Join the Team in wishing a
very Happy Birthday to
Hannah & Grayce*
